

**❖ World Standards Day**

- World Standards Day is marked every year on October 14 to raise awareness about the importance of using standardised measurements, technologies, and industries.
- The theme for World Standards Day 2022 is ‘Shared Vision for a Better World.’
- World Standards Day recognises the contributions of groups like the International Telecommunication Union (ITU), International Electrotechnical Commission (IEC), International Ethics Standards Board for Accountants (IESBA), Internet Engineering Task Force (IETF), and the ISO, as well as the professionals, who collaborate with them.
- The International Organization for Standardisation (ISO) was founded in 1947 with 67 technical committees. The first World Standards Day, however, was formally inaugurated in 1970 by Faruk Sunter, then-President of the ISO. The date of 14 October was chosen to commemorate the first meeting of delegates from 25 countries on 14 October 1946 in London, who decided to design a global organisation to facilitate standardisation.

- Developed in partnership with the Aditya Birla Group by the New Jersey-based Gandhian Society, it is the first museum dedicated to the "father of the nation" in the USA.
- The museum is expected to partner with the Martin Luther King Foundation in displaying the life and messages of the two greatest men in the modern era.

## ❖ **Commitment to Reducing Inequality Index (CRII) 2022**

- According to the latest Commitment to Reducing Inequality Index (CRII), India has moved up six places to rank 123 out of 161 countries for reducing inequality but continues to be among the lowest performers in health spending. Norway leads the CRII followed by Germany and Australia.
- The Index which is prepared by Oxfam International and Development Finance International (DFI) measures government policies and actions in three areas proven to have a major impact on reducing inequality. The three areas are public services (health, education, and social protection), taxation and workers' rights.
- India's overall rank has improved by six points from 129 in 2020 to 123 in 2022.
- The Oxfam report based on the index said India features among the lowest performers on health spending again. The index showed that it has dropped a further two places in the rankings, to 157th, the 5th lowest in the world.

## ❖ **Himachal Pradesh: new scheme "HIMCAD" to help farmers**

- The state government of Himachal Pradesh has started a new scheme named 'HIMCAD', to provide irrigation facilities to farmers.
- The scheme will provide end-to-end connectivity of farmers' fields for better water conservation, crop diversification and integrated farming.
- Under the scheme, it is planned to provide command area development activities to 23,344 hectares of cultivable command area by March 2024, and the State Technical Advisory Committee has approved 379 minor irrigation schemes worth Rs 305.70 crore. About 80 per cent of the agricultural area of the state is rain-fed.

## ❖ **India participated in the trilateral maritime exercise 'IBSAMAR'**

- INS Tarkash has represented India in the seventh edition of the trilateral maritime exercise IBSAMAR.
- IBSAMAR is a joint multinational maritime exercise.

- The nations that participate in this trilateral maritime exercise are India, Brazil and South Africa. The maritime exercise began on October 10 and ended on October 12.
- This is the seventh iteration of the trilateral maritime naval exercise.
- The goal of the joint maritime exercise is strengthening maritime security, promoting joint operational training and enhancing interoperability amongst the three naval forces to meet the challenge of common maritime threats.
- The sixth edition of the IBSAMAR was held back in 2018, from 1st of October to 13th of October. The sixth edition was held in South Africa's Simons Town. The Indian Navy was represented by INS Tarkash and INS Kolkata.
- The trilateral maritime exercise started in 2008 to promote strategic relationship between India, Brazil and South Africa, three democracies in three different countries. India, Brazil and South Africa are also members of BRICS.
